

PHS Coach trip to

Savill Gardens, Part of the Windsor Great Park

Thursday, 20th June 2024 - £30.00 pp

(including a Drivers Tip and based on 45 people)

Join us for a coach trip to Savill Gardens, which is located just off the A30 and is set in The Windsor Great Park. It is planned to see the lovely contemporary Rose Garden with its viewing platform that looks over the roses as well as the garden beyond.

Thanks to Generations of plant-hunters who have brought back numerous specimens to be nurtured here the Garden in the summer is a continuous delight, with spectacular shows of colour throughout the themed areas. So there will be more to see as well.

The coach will set us down in the car park which is in front of the Pavilion Visitors Centre/Shop and restaurant where coffee and a large variety of food is served.

Access is through the Visitor Centre to the entrance of Savill Gardens. There is good accessibility around the garden with the majority of the paths having a good surface. There are a limited number of wheelchairs available for loan but they cannot be reserved and are issued on a first come first served basis.

You may bring your own picnic but they have requested that no picnics can take place actually in the gardens, but there are tables and chairs outside the Visitors centre where people can eat sandwiches, but obviously not in the restaurant. Please be aware that payment across the Estate is by debit or credit card only.

There is also the extensive public-accessible parkland outside of Savill Gardens if you feel active and want to see more after visiting the gardens.
