THAMES PATH THROUGH SKERRITT WOOD

The path through Skerritt Wood is now open to the public. Notices have been put up requesting walkers to keep to the designated path and NO CYCLING; cyclists tend to churn up the ground especially when wet.

PARKING

Parking continues to be a problem throughout the estate. In particular at the entrance to and at the far end of Hazel Road. If emergency vehicles cannot gain access, they may shunt the offending vehicles out of the way. Also CONSIDERATION should be given to neighbours with regard to gaining access and exits from their driveways.

Speeding in a residential area is DANGEROUS. CONSIDERATION and RESPECT should be given to other road users.
